SIR Bangalore

With reference to G.O.No.G.5761-5/Medl.62-25-4 dated the 12th February 1926 conveying sanction to the construction of an Impatient Ward to the Local Fund Dispensary building at Malvalli and calling for plans an estimates for the work, I have the honour to forward herewith for information a copy of letter No.C.2939/L.B.25-26 dated the 19th June 1926 from the President, District Fund Board to the Executive Engineer, Mysore Division re funds. There is no provision for the work in the current year's P.W.Budget.

2. Under the above circumstances the preparation of the detailed estimate and plan will be put off till the Presidents of District and Municipal Boards make available their quota of cost for the work.

I have the honour to be,
Sir,
Your most obedient servant,

29.7.26

Chief Engineer of Mysore.

Letter No.C.2939/L.B.25-26 dated 18/19th June 1926 from the President, District Board, Mysore, to the Executive Engineer, Mysore Division.

With reference to your letter No.1962 dated the 16th June 1926 re list of places at which Local Fund Dispensary buildings have to be constructed during the official year 1926-27, I have the honour state that the District Board has provided a lump sum of Rs 9,500 in their Budget for 1926-27 for constructing dispensary buildings at Kagalavadi, Krishnarajpet and Mura and for meeting the cost of annual repairs and improvements to the existing Local Fund Dispensaries.

It is therefore requested that projects may be kindly got up for constructing buildings at the above three places.

A programme of Local Fund buildings to be taken up every year will be sent to you after placing the matter before the District Board.

The construction of the buildings at Bannur, Arakere and Saligrama may be expedited.

To

R. Rangarao, Esq., B.A., B.L.,

Secretary to the Government of

His Highness the Maharaja of Mysore,

General Departments, B a n g a l o r e.

Sir,

With reference to memo No. G.2101-4 dated 24-th August 1926 from the Secretary to Government, Medical and Agricultural Departments stating that the preparation of the detailed estimate and plan for the construction of the inpatient ward to the Local Fund dispensary at -- Malavally would be put off till District Fund and Municipal quotas of the cost are made available, I have the Honour to bring to your kind notice that the quotas in question cannot be transferred to the Public Works Department without knowing the estimated cost of the work.

The Town Municipal Council of Malavally at its meeting held on -- 9-8-26 resolved that it was agreeable to contribute Rs1000/- towards the cost. The District Board at their meeting held on 12-9-25 resolved -- that they were agreeable to bear their quota of the cost. As both the above Local Bodies were thus willing to bear their respective shares of the cost, the Executive Engineer Mysore Division was informed accordingly and requested in this Office No. C.1467 LB/24-25 dated 20-9-25 that -- necessary estimates and plans might be furnished for the ward. The

15. "The District Board and the Municipal Council have already agreed to bear their -- respective quota. An estimate may be got - prepared and sent for taking action to transfer the funds.

marginally noted resolution was again passed by the District Board at their Meeting held on

on 3-10-1926.

It will be seen from the above that the Local Bodies concerned are agreeable to pay their respective quotas of the cost and that the contributions can be transferred only after knowing the estimated cost of the work.

In these circumstances, I request that necessary instructions may be kindly issued for furnishing the necessary estimate, so that the District Board and the Municipal Council may know what amount has to be transferred from their respective funds.

I have the honour to be,

Sir,

Your most obedient servant,

President,

District Board of Mysore.
